*Note: The Manna fundraising requirement is not due on "Book Day." It represents the portion of rebated earnings from Manna spending that is directed to the school (i.e., 40% of each family's total rebate). Families have from May 1, 2022-April 30, 2023 to earn rebates from shopping via the Manna/RaiseRight program. 60% of the rebate earned will go directly to families in the form of a tuition/fee reduction the following school year, and 40% goes to the school. Any shortfalls vs. the \$300 requirement will be added to each family's May tuition bill. Many families that regularly participate in the Manna program avoid the \$300 fee.*
